CHILDREN'S CLASSES

TODDLERS AND TWOS

This is a hands-on class for children 18 months through two years of age. Using the five senses, children will learn that God loves them through sight, sound, taste, feeling and smelling. They are taught Christian songs and recognize prayer time.

AGE THREE THROUGH GRADE FIVE

The children in this age group use the "Exploring Faith" curriculum published by Cokesbury. Kids can:

- Learn the Bible – Old and New Testaments
- Apply the Bible to their daily living
- Have lots of fun

YOUTH CLASSES

MIDDLE SCHOOL (Grades Six through Eight)

The youth in this class use "Faith in Motion Series" by Cokesbury. With Faith in Motion learners experience a key story from the Bible through hearing, telling, drama, art and music. They are then challenged through a series of activities to "connect with the story" – to draw meaning from it for their own lives.

HIGH SCHOOL (Grades Nine through Twelve)

Using a variety of resources, the teachers of the High School Class hold sessions involving Bible Study, daily living and current events.
